

ABOUT MARY and her chocolates

From ME to You, Chocolate for Your Soul came about because of my relationship with my Mom. I have been blessed with creativity in my life. I learned from my Mom and my grandmother. Our chocolate offerings were inspired by these two amazing women.

From ME to You translates to: From Mary and Eileen, Chocolate for Your Soul. That's what it's all about for me. Chocolate for Your Soul from Mary and Eileen. When you connect with Mary, you connect with the beautiful soul that is my mother, Eileen, and all the love we both have to give.

Mary is also the founder of After the Grief, Coming Back to Life and Moving On, designed to help individuals understand grief and heal their pain. To learn more visit mccancreativeexpressions.com
